Winter: Boys and Girls Basketball

Spring: Boy's Volleyball; Boy and Girls Golf

High School Athletics

ACHS will be looking into becoming a member of the CIF Southern Section and will add sports programs based on interest.

For sports, the California Interscholastic Federation (CIF) makes the rules for CIF affiliated schools, which includes all public and private schools. They have stated that homeschoolers are eligible to play only if they are enrolled in a public independent study program. A student athlete must be enrolled in two ACHS on campus classes.
