## Dual Enrollment Online Courses for High Schools

After 10 years of record enrollment, CCU Academy's dual credit program is currently offered at more than 150 high schools across the country. High schools — whether private or public or online — may now offer CCU Academy's dual enrollment online courses to their students.

CCU Academy online dual enrollment courses have been developed for high school students who are able to engage in rigorous, college-level coursework. The courses are taught 100% online by highly qualified CCU faculty. Each course costs \$100 per credit hour and is offered three semesters per year in 10- to 15-week blocks.

## Lower your college costs while still in high school!

- Earn college credit at a greatly reduced rate.
- Complete your college degree sooner.
- Free up time for a double-major or study abroad.
- Gain organizational skills to succeed in college.

## Student Eligibility Requirements
